Try the extra sheet with sharing problems. You will need your thinking caps on as they are tricky.

FIREWORKS

A POINT OF VIEW

There has been a lot of discussion in the newspapers and on TV about the dangers of fireworks.

Some people have called for the sale of fireworks to be banned and only public shows allowed.

Every year there are reports of people being burnt by fireworks. Around our school we often find used fireworks. How would you feel if a firework damaged our school or your house?

Choose one of the following statements and argue for your point of view. Give reasons for your argument.

Fireworks are dangerous and should not be on sale to the public.

Everyone has the right to buy fireworks and use them how they wish.

Use your persuasive writing skills.
